

Grooming Standards in TCA (Spot the Mistakes Ex)

1. This exercise follows the “Rotating Chef” exercise.
2. Photograph volunteer students in full uniform in a studio as well as in the workplace.
3. Photos will have wide overview as well close-up shots (e.g. to see length of baby hair).
4. Photos have to contain both correct and incorrect items.
5. Photos must be of male and female students.
6. After clicking *SUBMIT*, the answers are revealed via ticks and crosses on the photo.
7. Scores are updated automatically while the timer continues running.
8. The *SUBMIT* button changes to *NEXT*, ready to move to the next question.

Spot the Mistakes

	<p>Move your mouse pointer over the photo to highlight potential mistakes.</p> <p>Click on the items that you think are wrong to select them. Be careful of what you select. If you guess incorrectly, marks will be deducted.</p> <p>Click on the <i>SUBMIT</i> button to check the answer.</p> <p>Correct: [an error is correctly identified]</p> <p>Incorrect: [a non-error is identified as an error]</p> <p>Missed: [an error is not identified]</p> <p>Time: [countdown timer]</p> <div data-bbox="1204 1473 1343 1532" style="border: 1px solid black; padding: 5px; text-align: center;">Submit</div>
